**FORMER HEALTH COMMISSIONER  
ENDORSES PELLAGRA TREATMENT**

Dr. W. C. Rountree,  
Tomball, Texas

Dear Doctor:—For the sake of those suffering from this dreadful dis-  
ease, I feel that I should make a statement of my experience and  
opinion. I have been a practicing physician for 25 years, more than 15 years of which  
I have been connected in some way with the Health Department. It was during  
my tenure of office as State Health Commissioner for Oklahoma, that I  
first became acquainted with Pellagra. I have since that time been  
convinced that the disease is caused by a deficiency of Vitamin B in the  
diet. I have seen many cases of this disease, and I have seen many  
of them cured by the use of the treatment which I am now recommending.

At this time my attention was first called to your work and I saw  
the worst cases of Pellagra I had ever seen. I remember, in one in-  
stance, a lady who had lost her mind. She was weak, nervous, emaciated,  
could not sleep or eat and what she did eat disturbed her digestive organs, she  
had constipation alternating with diarrhea, skin brown and copper colored. In  
fact she had all the symptoms of Pellagra except the rash, she was directly  
under my observation before and after taking treatment and I know that she  
was permanently relieved by your medicine.

I have followed up your work closely since then and have never seen a  
case of Pellagra that your treatment failed to relieve. It is my conclusion  
that you have the only effective cure for the disease. I feel that you are  
entitled to the unqualified endorsement of the medical profession and of the  
Health Departments for I truly believe that your medicine is the only one  
in existence today that will cure Pellagra in all of its forms and stages. Seeing that  
the disease is caused by a deficiency of Vitamin B in the diet, it is reasonable to  
assume that the disease will be cured by the use of a food which is rich in  
this vitamin. Your medicine is such a food and I believe it is the only one  
that will cure the disease in all of its forms and stages.

Yours truly,  
A. D. DAVENPORT, M. D.

school taught at Victoria by  
Mrs. M. Tindol. There were  
over 30 or 40 pupils to attend.  
The names of those who taught  
in were Tidings of Blessings.  
Everyone liked Mrs. Tindol as  
a singing teacher, for she was  
such a fine teacher. The sing-  
ing school closed on Wednes-  
day P. M. until Friday A. M.  
on account of the severe rain.  
The singing Convention at Damas-  
cous seven miles below Elba.  
The delegates that were ap-  
pointed to attend the conven-  
tion from Victoria were, Miss  
Cook and Mr. Otis McDur-  
mont.

The teacher Mrs. Tindol,  
Mrs. E. G. Bragg, Miss Lucille  
Martin, Miss Nona Tindol,  
Miss Easter Dyess, Mr. Otis  
McDumont attended the con-  
vention. All reported a fine  
time. More would have attend-  
ed if the weather hadn't been  
bad. The school met back on  
Friday A. M. to the seven sing-  
ing school came to a close.

The house called to order  
by the teacher, Mrs. M. Tindol  
singing a song, then she re-  
ported a lesson by eight, two  
songs each, first by Hazel  
Wise, Sam Martin, Loyde  
Crook, Maggie Paul, Phoebe  
Lucille Brown, Carrie Jones,  
Jingworth, Wilbur Martin, and  
Jack Phineas, organist, Miss  
Nona Tindol, recess.

This lesson, led by eight  
two songs each, first by Basil  
Crook, Lorene Parish, Lennie  
Boutwell, N. H. Dyess, Bessie  
Mae Phineas, Eudora  
Grant, Odessa Arrington, Lor-  
ene Kelley. Song by Mrs. Tin-  
dol. The school closed for din-  
ner hour. Organist Miss Lucille  
Martin.

This lesson: After dinner  
the house was called to order  
by Mrs. Tindol singing one  
song. Then a lesson by eight.  
Songs each, first by Thelma  
Head, Kermit Crook, Mrs. E.  
G. Bragg, Bertice Kelley,  
Rosa Martin, Easter Dyess,  
Maudie B. Killingsworth,  
Jim Tom Wise, recess.

House was called to order by  
Mrs. Tindol, Odessa Brown,  
Mammie Martin, Otis McDum-  
ont, Organist, Miss Lucille  
Martin, closed by Mrs. Tindol.  
Mrs. M. Tindol, recess.

We sure do thank and ap-  
preciate the kind ladies who  
preparing their dinner they prepared.  
May God's richest blessings  
rest upon every lady.

**E. A. O'NEAL HEADS FARM  
BUREAU AGAIN**  
Auburn, Ala., Aug. 10.—Ed-  
ward A. O'Neal, Florence, was  
again elected president of the  
Alabama Farm Bureau Federa-  
tion at the annual meeting of  
the organization in Auburn  
during the short course week  
for farm people, August 1-6.  
It is the fourth time for Mr.  
O'Neal to be elected to this po-  
sition. The president and all  
other officers were elected by  
unanimous vote. R. F. Croom,  
Evergreen, moved up from sec-  
ond vice-president to first vice-  
president, succeeding John R.  
Witt, Belle Mina, whose re-  
sire was to retire. W. M. Hes-  
ter of Russellville was elected  
second vice-president.

These officers, together with  
S. P. Stearns, Wetumpka; Dr.  
W. C. Braswell, Elba; Dr. T. H.  
Appleton, Collinsville; J. L. H.  
Hawkins, Selma; and W. E.  
Osborn, Tusculum, compose  
the new executive committee.  
The retiring members of the  
executive committee were: J. E.  
Espey, Abbeville, Mrs. J. N. Hall,  
Morris, Alpine, and W. T. Hall,  
who was elected a year ago  
where he lived at Elba; but  
moved to Gadsden during the  
year.

Another annual convention  
in Auburn during the week  
was that of the Alabama Pecan  
Growers Association. Chas.  
Kirkpatrick, prominent pecan  
grower of Selma, was re-  
elected vice-president; and  
Charles B. Selma, was elected  
secretary.

Farm women were in session  
in Auburn during the week.  
Along with a full program of  
lectures and demonstrations  
they organized the State Com-  
mittee on Home Demonstra-  
tions. Mrs. John S. Morris,  
Alpine, was elected president.  
The other officers were: Mrs.  
Gordonia Deanna, Good, vice-  
president; Mrs. J. A. Vande-  
ver, Birmingham, secretary;  
and Mrs. S. Somersall, Ever-  
green, treasurer.

In addition to these conven-  
tions, the farm people held  
many meetings for the discus-  
sion of practical problems.  
They also visited the experi-  
mental station at the Elba, the  
livestock barns, orchards, farm  
machinery exhibits, and other  
features of interest. The women  
made many visits and studied  
the nursery school.

The committee in charge of

Another million mark in  
Ford production was passed on  
August 21, when motor under-  
standing 1,000,000 came off the assembly  
line at the Fordson plant of the  
Ford Motor Company.

Some idea of the present  
enormous production of Ford  
cars is obtained when it is re-  
called that it was a little more  
than two years ago, June 4th,  
1924 that the famous Ten Mil-  
lion Ford was produced, an  
event which was celebrated by  
driving the car across the coun-  
try from New York to San Fran-  
cisco in the Lincoln Highway.

In the twenty-five and half  
months elapsing since that  
time Ford output increased 4-  
fold.

The first Model T Ford was  
turned out on October 1, 1908,  
and it was not until seven years  
later, Dec. 10th, 1915 that the  
first million was reached.

In Gasoline There Is No Substitute for More  
Mileage and Lubrication

## MOTOPOWER GASOLINE That LUBRICATES

Until you have used MOTOPOWER, the Gasoline that lubricates, you do not know how alive with power, how silent, how trouble-free your motor can be.

Give your motor correct MOTOPOWER lubrication and the results are what you would expect—smoothness, flexibility, silence—a long efficient life.

If you are not already a user of MOTOPOWER gasoline, drive into one of the Stations listed below and be convinced. For the new car, there is nothing that will surpass MOTOPOWER, the correct amount of lubrication at all times is a factor of great importance.

The outlook for the present  
Alabama corn and hay crop is  
very promising. Present indica-  
tions are that the corn yield  
will be one of the highest ever  
made in the State, and hay yield  
thus far, have been good. The  
growing crop, too, promises a  
big yield. With future weather  
favorable, Alabama farmers  
will come nearer feeding them-  
selves this year than they have  
in several years.

Another cotton pest which  
may appear any time in Au-  
gust is the army worm, with  
which most cotton growers are  
familiar. Usually it makes its  
first appearance in the low  
spots of the field where growth  
is larger and the leaves tender-  
er. A little time spent in going  
over the cotton fields every  
few days will be wisely spent.

ELBA SCHOOLS WILL OPEN  
SEPT. 6; PROF. DIXON  
MAKES STATEMENT

The Elba Schools will open Monday Sept. 6th. Prof. Jas. C. Dixon, the new superintendent with his family arrived last week, and everything is being put in shape for the opening. Prof. Dixon has issued the following announcement about the opening.

To The Patrons of the Elba Schools:—

School will open September 6th with chapel exercises at nine o'clock. All patrons and friends of Education are cordially invited to be present. Class organization will take place immediately after chapel exercises.

All new pupils in the Junior and Senior High School will report Friday September 3rd for classification. Bring your report cards from your former school. Tuition fees will be the same as last year. You can call by the First National Bank and pay them any day from now on. These, of course, must be paid before proper classification can be made.

Text books will be the same as last year, except the Algebra. We will use this year the State adopted text. The courses

MR. MORROW BUILDING  
NEW RESIDENCE.

Work is progressing rapidly on a new residence for Mr. J. D. Morrow. The new house is being built on the corner lot North of the Army. This is one of the most desirable locations in town, and with a nice new house will be one of the most attractive places in town. Mr. Morrow's home will be modern in every respect and he will complete it as soon as possible.

Mr. W. H. Morrow, of Opp, was a visitor at Elba Tuesday.

offered will be the same as last year for the most part. Geometry will be given in Senior instead of Senior II. Those who missed Plane Geometry last year can take it this year. The first faculty meeting will be Sept. 4th at nine A. M. in the high school building. Teachers will be governed accordingly.

Our purpose here is to give the best school possible. To do so, will require a heavy operation on the part of the patrons, pupils, and teachers.

We are sure will be given a list of the Faculty will be given next week.

### New Brockton News

By Miss Alpha Moore.

The New Brockton High School will open for the 1926-27 session on Monday, September 6th, according to announce-

ment of Sup. W. A. Eldon. All patrons and friends of the school are urged to be present at the opening exercises.

The meeting which has been in progress at the local Methodist Church during the past week came to a close Friday night, Rev. W. F. Callahan of Hartford for the last time.

LARGE CROWD ATTENDS  
FARM BUREAU'S ANNUAL MEETING.

About 400 farmers met at Calvary church last Thursday in the Coffee County Farm Bureau Annual Meeting to review business of the year and lay plans for a greater farm program another year.

A report of co-operative activities of Coffee County farmers of the past year showed a total business of \$415,640.00, as follows: 2541 bales cotton sold co-operatively, \$228,690.00, 1997 tons fertilizer co-operatively purchased, \$178,650.00, 35,000 lbs. vetch seed co-operatively purchased, \$1,150.00. Total \$415,640.00.

The savings on fertilizer alone due to home mixing and co-operatively purchasing amount to over \$50,000.00 which benefit was shared by 2267 farms of the county.

We believe that those who used the Auburn maximum home mixture this year of 400 lbs. acid, 200 lbs. soda and 100 lbs. murate per acre under cotton have found it to be highly profitable, because there are 1000 acres of cotton in the community which were poorly fertilized and have yielded a correspondingly small crop.

With a prospect for larger crops and lower prices each year it therefore becomes necessary for every farmer to cut to the bone his cotton acreage and to highly fertilize this acreage so as to make the most cotton per acre. This will give plenty of acres to be planted in other crops. We must increase our yield per acre if we expect to make farming profitable.

Mr. L. N. Duncan, Director of Extension Work and M. H. Pearson, District Agent of Auburn, spoke to the farmers on such, fertilizer and organization.

The same officers were re-elected another year and the adjourned till next year.

MAYS-VAUGHN ENLARGES STORE SPACE.

Mays-Vaughn Mercantile Co. has just completed an addition to their store, which gives them considerably more floor space and which will enable them to better serve their customers.

They have secured the South half of the Farris building, and a large opening has been made into the space formerly used for groceries. Mr. Mays says that he will soon be ready for the opening of his new department store. Water for the announcement in the Clipper.

BIRTHDAY PARTY FOR BETTY JEAN BULLARD—

Little Betty Jean Bullard was the honoree at a lovely birthday party Wednesday afternoon given by her mother, Mrs. William Bullard.

The occasion marked the second birthday of Betty Jean, and twenty-eight tiny tots were present to celebrate with her. As the little guests arrived they were served punch from a table prettily decorated with summer flowers. Then they were invited out on the porch where tiny red chairs had been placed for them. Here they were entertained with victrola music.

In the dining room was a table beautifully decorated with pink and white streamers and silver candle sticks. In the center of the table was the embossed birthday cake with pink rose-tinted tapers. Mr. Mays presented to each small guest a delicious ice cream sundae.

The little honoree received many lovely remembrances.

FOR SALE.—I am offering for sale the following: 1 bedroom room, 1 wicker living room suite, 2 tables, 2 toilet sets, 6 quilts and some pictures. If interested call 19 or see Miss Nettie Flournoy, Elba, Ala. 21.

Mr. M. N. Morrow and Mr. Marion Edwin have gone to Hot Springs, Ark., where Mr. Edwin is being treated for rheumatism. His many friends trust that he will be benefited by his treatment and return home at an early date.

Mr. Edwin Heath and Miss Georgia Page were visitors at Dothan Sunday and Monday.

TWO TROOPS BOY SCOUTS  
ORGANIZED AT ELBA  
LAST WEEK.

Two troops of Boy Scouts were organized in Elba last Thursday evening at a Scout rally held at the City Park. The rally was directed by W. M. Branson, prominent attorney and representative elect from Coffee County. The principal speaker was Scout Executive W. L. Sprague of the Choctawhatchee Council. He told of the history of the Movement, its origin, scope of activities and objectives.

Eagle Scout Leon Rice Robinson gave a number of interesting demonstrations in Scoutcraft. T. C. Tente, former Scoutmaster of Bradenton, Fla., spoke on what the Scout Movement means to the boys. Miss Jean Langston, child welfare worker, made an enthusiastic talk in which she declared that the necessity for much of the reform work in the country can be greatly reduced by increasing the number of Boy Scouts.

At the close of the rally two troops of Scouts were organized with the following Scoutmasters: Troop 1, W. M. Branson; Troop 2, J. M. Price.

Members of the troop committee are: Troop 1, J. O. Engle, Chairman; Rev. F. M. Lowry, Dr. C. P. Hayes and W. T. Whitman; Troop 2, C. E. Dorsey, Chairman; Dr. J. W. Kendrick, Rev. F. C. Mahan and J. M. Price.
